

WAIVER FORM

I declare that prior to the sending of the entry form, I personally informed the competitors, (in the case of competitors being under the age of 14, the competitors' parents/guardian) that the risk of any sports-related injury that may occur due to taking part in XI. Tadashii Cup, is taken by them. The competitors (in the case of competitors being under the age of 14, the parents/guardian) confirm that in case of any sports-related injury, they won't claim any compensation from the organisers; neither will they take them to court.

By sending the entry form, I declare that the competitors (in the case of competitors being under the age of 14, the parents/guardian) have agreed to enter, and that they hold valid sports-insurance.
